

REMARKS

In the Notice of Non-Compliant Amendment, it was indicated that the "Amendments to the Specification" section did not have the proper markings to indicate changes in the specification. The "Amendments to the Specification" section is therefore resubmitted, and the specification includes the proper markings to indicate changes in the specification. Favorable reconsideration of the application is respectfully requested.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly invited to contact the undersigned attorney at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
